

Heavy Duty Zero Clearance Divider Bar

- Designed to be used with ABC's Heavy Duty Zero Clearance components.
- Used over the changeable copy area of signs.
- Separates the fixed face from the hingeable vandal covers
- ABC's Hanger Bar supports the inner face.
- Gas cylinders support faces for service.
- Divider Bar allows for top of sign to have unique shapes.
- Locks for the vandal cover/security face are used as normal.
- Makes servicing Zero Clearance cabinets easy even when faces are large.
