

Wholesale Decorated Faces

Flexible Vinyl • Rigid Plastic • Routed

ABC Sign Products' wholesale manufacturing division is one of the most experienced and reliable sources for wholesale decorated flexible faces. We have been a source for the highest quality faces since the inception of flexible substrates in the 1970's, and CNC routing in the 1980's. All at very competitive prices!

Routed Faces and Architectural Signage

ABC has utilized CAD/CAM technology since its inception to the sign industry in 1984. We specialize in precise 2D and 3D push-through faces, letters and dimensional graphics using Aluminum, Steel, Wood, Trespa, ACM, Acrylics, Polycarbonates and more.

Flexible Faces

3M™ Panaflex™ 945 face substrates with 3M™ Scotchcal® knife-cut films carry a 3M™ 6-year warranty. Their Graphics Protection System extends the 3M™ warranty to 9 years. Cooley-Brite® can be decorated by your choice of knife-cut vinyl film or eradication, carrying Cooley's 5-year warranty and wide seamless widths.

Rigid Faces

We feature both acrylic and polycarbonate faces in any size or quantity. We provide beautifully decorated faces with knife-cut vinyl films. Perfect for low cost faces requiring long lasting, uniform sign faces.
